use hair net close to color of hair. you might have to wrap hair net 2-3 times around bun. tuck the extra netting under bun.

5. shape bun using rat tail comb

secure bun using more hairpins. smooth and tuck hair using hair spray and rat tail comb.

have your dancer shake her head to make sure the bun is secure for performing

notes

on the day of or day before needing a bun, put hair in a ponytail after washing and let hair dry in the ponytail.
